SOUTH SHORE COMMUNITY PARTNERS IN PREVENTION GRANTS \$16,450 TO THREE LOCAL COMMUNITY INITIATIVES

PLYMOUTH, MA—South Shore Community Partners in Prevention (SSCPP) is pleased to fund three local health initiatives in its winter grant cycle.

- **Plymouth Community Intermediate School’s Bridge Program** - \$2,950 mini grant to assist students struggling with mental health and/or medical issues
- **“Don’t Get Bit” Tick Education and Prevention In-School Enrichment Program** - \$3,500 mini grant to educate 4th grade students about Tick prevention in Marshfield and Duxbury Schools
- **Carver Public School’s ADA-accessible Running Track** - \$10,000 Health Literacy Grant to increase the physical and social emotional health of its students through exercise

“We are thrilled to support the important work of these three initiatives,” said SSCPP Chair, Michael Jackman. “Working together, we are making an impact in our community and helping to better the lives of those served.”

About South Shore Community Partners in Prevention

SSCPP is a partnership between health care providers, hospitals, boards of health, schools, businesses, concerned citizens and elected officials to improve the health of our community. SSCPP is one of 27 Community Health Network Areas (CHNA) across Massachusetts working towards this same goal. SSCPP’s specific community includes Carver, Duxbury, Halifax, Hanover, Hanson, Kingston, Marshfield, Pembroke, Plymouth, Plympton, and Rockland.
