### 2019-20 Health Literacy Funding Instructions

*This request for funding is for a maximum award of \$10,000.*

The South Shore Community Partners in Prevention is currently implementing a Health Literacy Initiative. In order to meet the goals of the Initiative's Action Plan, SSCPP will allocate funds to support member agencies, partners and other groups who are undertaking projects directly in support of the plan's goals and objectives. Please review the plan [here](#) (or go to [www.chna23.org](http://www.chna23.org)).

Mini grants will be reviewed four times a year. To ensure timely review of your application, please submit grants by the following deadlines. South Shore Community Partners in Prevention steering committee members will review the grants each quarter.

**Fall:** Applications due October 15th (Funding notifications November)  
**Winter:** Applications due January 15th (Funding notifications February)  
**Spring:** Applications due April 15th (Funding notifications May)  
**Summer:** Applications due July 15th (Funding notifications August)

The Steering Committee will strive to apportion funds expended on the Health Literacy Initiative in an equitable manner, in order to maximize resources in furtherance of each goal and objective defined by the Action Plan.

#### Application Instructions

- Please use a 12-point font, single-spaced text, and a 1-inch margin on all sides.
- Answer each question completely and concisely. Page limitations for each question are provided below. All questions in the application are weighed equally.
- Send applications to the CHNA 23 Coordinator, via e-mail at [CHNA23@gmail.com](mailto:CHNA23@gmail.com) or by mail to United Way of Greater Plymouth County, 934 W. Chestnut Street, Brockton, MA 02301, ATTN: CHNA 23
- The SSCPP Steering Committee may require you to be available during the review of your application either in-person or via telephone.

#### Eligibility

- The project must either directly or indirectly support the goals of the Health Literacy Initiative. In addition, the project must benefit one or more of the 11 communities in the South Shore Community Partners in Prevention Community Health Network Area (CHNA 23). Please see the list of communities on the page header above.

#### Additional Requirements

- Successful applicants will work with the Health Literacy Coordinator to prepare a written outcomes report that will demonstrate how the project supported the achievement of a specific goal(s) of the Health Literacy Initiative.
- Events, materials, and other communications that are associated with the project funded by SSCPP must acknowledge support from South Shore Community Partners in Prevention. The following is suggested language: *[Project Name] is funded [in part] by the South Shore Community Partners in Prevention, Community Health Network Area (CHNA 23, in support of its Health Literacy Initiative).*
